TERMS OF SALE

1. This Property sells "AS IS - WHERE IS" with all faults and without warranty of any kind, either expressed or implied, by seller. It is understood that a limited warranty deed for the real estate is to be furnished by seller at closing.
2. This Property is being offered for sale by a sealed bid auction. Buyer acknowledges receiving instructions for submitting a sealed bid and agrees to abide by those instructions, including the required deposit of ten percent (10%) of the bid amount to be submitted with the sealed bid. If the bid is accepted by the Seller, the deposit will be held in escrow and applied to the purchase price. Buyer understands and agrees that Seller is not responsible for bids that do not arrive prior to the due date and time. All bids are subject to the Seller's approval. If a bidder is not successful, then the deposit check will be returned following the close of the auction.
3. Within forty-eight (48) hours of the close of the auction and if the seller accepts the high bid, the high bidder(s) must execute a Contract to Purchase with no contingencies. The balance of the sales price for the real estate will be due in forty-five (45) days at closing. Seller reserves the right to extend the closing date an additional 30 days if needed. In the event that buyer fails to comply with the Contract to Purchase, the earnest (ten percent deposit) money will be forfeited, but such forfeiture shall not affect any other remedies available to seller.
4. Buyer agrees to pay all closing costs, including but not limited to, attorneys fees, deed stamps and preparation, and survey. Taxes, water, sewer charges, fuel oil, electricity, environmental studies, rents as when collected and other assessments, shall be prorated between the buyer and seller to the date of closing. Possession will be at closing.
5. All taxes due as a result of this sale are the responsibility of the Buyer.
6. All information announced, published or contained herein or in any brochure or advertisement was derived from sources believed to be correct: however, it is not guaranteed by the seller and is subject to inspection and verification by all parties relying on it. All square footage, acreage, dimensions, taxes, zoning, permitted land use, and other information about the Property being sold are to the best of our knowledge and approximate, but not guaranteed. This sale may be modified or withdrawn without notice at any time. Personal on-site inspection prior to auction is strongly recommended. It is bidder's responsibility to determine the condition, genuineness, function, suitability for use, and value of the Property before bidding. The failure of any bidder to inspect, or to be fully informed as to the condition of the Property, will not constitute any grounds for any claim or demand for adjustment or withdrawal of bid, offer or deposit money. Announcements made from the auction block take precedence over all other verbal, printed, announced and/or distributed information. Seller is not responsible for any errors or omissions made in the description of the Property prior to or at auction.
7. On properties built before 1978, potential purchasers, at their option, may have the Property inspected for lead-based paint within 10 days prior to auction date.
8. Seller reserves the right to refuse admittance to or expel anyone from the auction premises as needed.
9. Bidding is open to the public. Bidding in the auction is a binding contract. The high bidder whose bid is accepted by seller must sign a Contract to Purchase and deposit.
